

SHAKE:

Make your own shaker.

Find a plastic container with a lid, or a plastic bottle.

Fill it with lentils or rice.

TAP:

Make your own tapper.

Find a wooden spoon, and something sturdy made form wood- a wooden rolling pin, bowl, box, stool, or a wooden table top.

SCRAPE: You need something with a ridged texture to scrape. A plastic water bottle with a ridged side is perfect.

Or a tin can with ridges. Scrape it with a pencil.

TING:

Make your own tinger.

Find a metal spoon, and a pan, colander or tin can.

BOOM:

Make your own boomer.

Find a big cardboard box, or a plastic bin.

Turn upside down, and play with your hands or a wooden spon.
